Some of the Radical papers have a great deal coay about the celebration, by the Democracy

It is a great point with the Radienle to succer at the doctrine of State rights, which they very properly term a cardinal principle of the Democrate party, but which they falsoly at lege has its origin in distorably and culminates in rebellion. Bishoyally, in its true sense, to rather to be found among those who are false to the procepits and principles of the Countiful in the the Countific It is a great point with the Radicals to sucor

We are very far from defending the Demo-ratic party against the charge of being in favor f the decirine of State rights. That decirine, se are free to admit, is now, and ever haven, an essential part of one party creed, and delegates from the several States together to form "a more perfect if from the day, when the result. " but from the day when the revolt puraries ony antisfaction, no have no ob-I was plainly connectated in the New York 'invention, as it has been plainly connectated by every national convention of the party since the days of Jefferson. Whom it shall be found

proper to diseard the doctriny from the pu their sovereignty as to all such reserved powors, load to divioually and rebellion. We might
dwell apon the fact that the convention which
numinated Reymour and Huir specifically de
clared that secondou had been definitely end
for all time settled, but it is unnecessary to
to so. That was to all such reserved powterminate the result of the country on
the result of the country of
the settled, but it is unnecessary to
the settled, but it is unnecessary to
the settled of the settl clared that accounts had been definitely and for all time cettled, but it is unrecessary to do so. That was not at all seeded to disprove any identity between Democrate principle and rebellion. It is enough that the decirine of fatte rights, around which the Radicals would cast so much oddars is, as we have said the ductine of the Constitution. party anid, the describe of the Constitution, and that, not withstanding all thoir encern and hypocritical cant about it, there is not one of the domagagues who is not perfectly aware of tire fact. The regulation of animage, and all other powers not specifically delegated to the general government in the Constitution, are unquestionably reserved to the States, and in their exercise the States are covereign and in their exercise the States are covereign and

Interesting the States are sovereign and supreme.
